### Best practice No. 2

#### Title of the practice:

**Clean and Green.**

#### Goal:

The purpose of Clean and Green Activity is to acknowledge the sustained and dedicated efforts of the Institute with regards to Social responsibility.

#### The Practice

**Clean and Green Activity carried out every year.**

- Swacchata Abhiyan and cleanliness drive is arranged around 2<sup>nd</sup> October on the occasion of Mahatma Gandhi Jayanti to ensure the participation and contribution towards National Cause.
- Tree plantation Activity is done every year to inculcate environmental sense among the students.
- Students and Faculty members visit housing societies at the time of Ganesh Festival.
- From each of the house of visited society Nirmalya is collected.
- Collected Nirmalya is brought to KJEI campus and dumped.
- Organic output of dumped Nirmalya is used as compost for campus plants.

#### Context

- This practice encourages the students and faculty to work for the social cause.
- It also helps in improving understanding and being responsible towards waste management.
- It helps the students and faculty members for being socially responsible individually and collectively.
- The activity is so arranged that students can lead, communicate, and ensure team work and independently managing the activities.

### Problems faced and resources required.

- Sometimes permissions are not given to enter the societies by the concerned people involved and that may restrict the reach to certain societies.
- Activities need to be done in co-ordination with local authorities to ensure it on larger scale and impact.

### Expected outcome of the practice

- Students inculcate themselves in improving social and environmental participation.
- Students get motivation and improve their participation in various institutional and social activities.
- Students able to understand the effectiveness and benefits of waste management cycle.
- Students contribute towards environmental responsibilities and inculcate environmental sense.

**Tree Plantation**  
**22nd September 2018**

❖ **REPORT**

On 22nd September 2018, TIMR actively undertook the Tree Plantation drive wherein around 200 trees were planted by the Staff and the students.

The activity took place in the Saswad area on the hills. The students were sent 15 days in advance to explore and earmark an area which would meet the Institute's requirements for tree plantation and would also be beneficial for the coming generations.

The area found by students had mostly stunted growth and deforestation too had taken place there. The students opted to plant climate friendly plants such as Supari, Babul, Ashwattha, Gulmohar etc.

Environment and its health has always been a substantial element of TIMR learnings and education. What we do today defines what we leave for our future generations. Deforestation has been taking its toll on Pune city causing extreme climatic changes over the years. It is about time that we as citizens contributed our share towards protecting our precious earth and ourselves in turn.

Dr. Mangesh Kashyap, Director TIMR, is an enthusiastic and self driven citizen who welcomes all opportunities concerned with environment and is ever ready to contribute towards the betterment of the nature and society. With his fervor and inspiring leadership, TIMR could conduct this activity with success.

**2. CONCEPT OF THE PROGRAM**

India's biggest cleanliness drive – Swachh Bharat Mission has triggered a nationwide flurry of activity to improve sanitation and cleanliness in the country, the ambitious aim of the mega campaign is to achieve 100% open defecation free status by 2019. Till now, more than four crore toilets have been built, five states, around four lakh villages and 203 districts have gained the title of Open defecation free (ODF). On October 2, which is also marked as Rashtriya Swachhta Diwas, this year it is also Swachh Bharat Abhiyan campaign's third anniversary, the sanitation coverage in the country will hit another milestone. The day marks end to another big initiative leading upto October 2 – *Swachhata Hi Seva* which was initiated by Prime Minister Narendra Modi in a bid to boost Swachh Bharat mission's effort across the country and celebrate Gandhi Jayanti as Clean Gandhi Jayanti.

TIMR, in complete support of the Rashtriya Swachhta Diwas, celebrated this day by undertaking a cleanliness drive, with support of the local police authorities, at the KJEI Campus and the Bopdev Saswad Ghat.

### 3. **OBJECTIVES**

1. To institutionalize cleanliness or Swachhta as an integral part of the functioning of educational institutions.
2. To set the tone and pace for Swachhta movement in the country with the huge outreach and knowledge base of HEIs.
3. To galvanize HEIs into introspection and appraisal of their campus cleanliness and to stimulate corrective action to achieve higher benchmarks.
4. To transform HEIs into models of environmental consistency, conforming to various factors of ecological balance in their daily functioning.
5. To contribute positively to attain SDGs related to environment and health
